KUALA LUMPUR, 17 JUNE 2015: – Kenanga Investors Berhad's ("Kenanga Investors"), Kenanga Growth Fund, was honoured at Funds Supermarket.com's ("FSM") annual Recommended Unit Trusts Awards for the period 2015/16. Kenanga Growth Fund received this award under the Core Equity – Malaysia category. This is the fifth consecutive year that Kenanga Growth Fund has been recognised for this esteemed award.

Only unit trusts funds with exemplary track records of at least 3 years were considered for the FSM's Recommended Unit Trusts Awards. All recommended unit trusts funds are subjected to rigorous evaluations based on Performance, Risks and Expense Ratio across various time periods, to validate for performance consistency.

According to Mr. Ismitz Matthew De Alwis, Executive Director and Chief Executive Officer of Kenanga Investors, "Kenanga's award winning Fund, Kenanga Growth Fund has to-date delivered total return of 13.20%* (1 year), 165.91%* (5 years) and 408.10%* (10 years). This is significant as it further testifies Kenanga Investors' conviction of its investing philosophy, concerted research efforts and fundamental-driven bottom-up stock picking approach. This recognition by FSM also demonstrates the Fund Investment team's commitment to deliver not only impressive returns but consistent investment performance for our clients, year on year."
