The 2015 Malaysia CIO of the Year award recognises the CIO's achievements at the country level and the strategies employed to capture growth in the low yield investment environment.

According to Mr. Ismitz Matthew De Alwis, Executive Director and Chief Executive Officer of Kenanga Investors, "Receiving two regional recognitions further validates the hard work and commitment extended by our internal team as well as the continued support from our multi-channel distribution base and investors. In the last two years, Kenanga Investors has successfully gone from strength to strength and now has an asset under management of more than RM6.43 billion. Lee's award win also testifies to her fortitude and her team's commitment to deliver not only impressive returns but consistent top performance to our investors, year on year."

AAM is the world's longest-running publication focused on Asia's institutional asset management and pension fund industry. Its Best of The Best Awards recognise the finest performers in Asia from financial services companies and institutional investors to service providers whose influence and excellence expands beyond borders.
